

Conditions for Granting the No AI Declaration™ Mark

Category 1: Creators and Artists / Subcategory: Traditional painting

Version 1.1 | effective from: 16.07.2025

1. Introduction

This document is a supplement to the general conditions of Category 1 "Creators and Artists" and defines specific rules for the subcategory Traditional painting. All provisions of the main Category 1 document apply, complemented by the conditions set out below.

2. Typical AI Applications (Prohibited)

Within the Traditional painting subcategory, the following uses of AI are considered prohibited, among others:

- generating paintings, sketches, or illustrations using AI tools,
- transforming or stylizing photographs into painting-like works through AI,
- automatic creation of composition concepts, color palettes, or visual forms by generative systems,
- AI interference in the creative process of painting, drawing, or other traditional techniques.

Clause: the above list is illustrative and not exhaustive.

3. Permissible AI Applications (Auxiliary)

AI may only be used for technical and organizational purposes that do not affect the content or artistic value of the work, in particular:

- digitization and archiving of paintings,
- cataloguing digital files and assigning metadata,
- basic correction of documentation photographs (e.g., white balance, contrast) – provided it does not affect the artwork itself,
- organizational support, such as managing auxiliary materials or exhibition schedules.

4. Specific Rules for the Traditional painting Subcategory

- The creative process involving painting, drawing, printmaking, and other traditional techniques must be entirely human-made.
- Works in which AI systems generated or co-created content may not be presented as covered by the declaration.
- AI tools may only be used in auxiliary roles – technical and organizational.
